

Authority and responsibility for the next generation of the AUTEC GmbH & Co. KG

From left to right: Bernhard Ellerböck, Thomas Geis, Dr. Hans-Uwe Berger

Effective from April 1st 2011 Dr. Hans-Uwe Berger and Mr. Thomas Geis were appointed as additional Managing Directors of the AUTEC GmbH & Co. KG.

From now on Dr. Hans-Uwe Berger, an associate of the company, takes over the management of the Purchasing Department additionally to the management of the technical department. With his graduation in Mechanical Engineering and his long-time international experience Dr. Berger jr. is the perfect staffing for these vital business units.

Thomas Geis has been Sales Director of the AUTEC Company for at least 10 years. Due to his extraordinary commitment, Thomas Geis made an important contribution to the success story of the company and is a guarantor of a continuing development of the Sales and Marketing Department.

Oliver Liebscher, also a long-time employee of the company, will take over the direction of the National Sales Department and his colleague Mr. Mees will hold the office of the Export Department. Both Managers will intensify the customer service in close co-operation with Thomas Geis,

Bernhard Ellerböck, up to now the only Managing Director of the AUTEC GmbH & Co. KG, will be in charge of the Financial Department, Logistics and the development of new business areas.
