

Black is beautiful!

AUTECH's spring collection offers four beautiful, black polished wheels: type I (los), type Lb (Limit black), type S (Stratos black) and type E (Ethos black). Due to the motto "black is beautiful" the wheels are featured by attractive spoke arrangements, sportive and elegant lines as well as interesting colour contrasts.

Type I (los) is the highlight of our spring collection. A sportive and clear design and independent, bi-coloured spokes mark the extravagant character of the wheel. los is available in the following sizes: 8,0 x 17, 8,0 x 18 und 9,0 x 20.

Type Lb (Limit black) impresses with a well-balanced, modern design. The five black polished double spokes are externally connected and run dynamically into an expressive central area.

Limit black is available in 6,5 x 15 and 6,5 x 16.

Type S (Stratos black) is featured by its predominant elegance due to the fascinating contrasts of the black polished front. Attractive decoration stainless steel bolts at the edge of the rim form the individual character of the wheel.

Type S is available in the sizes 7,0 x 16, 8,0 x 17, 8,0 x 18, 8,5 x 18, 8,0 x 19 and 8,5 x 19.

Type E (Ethos black) is a bright example of a perfectly designed and elegant wheel. The dynamic spokes, the star-shaped central area as well as the high quality painting in black polished give the wheel an aesthetical appearance.

Ethos is available in the following wheel sizes: 6,5 x 15, 6,5 x 16, 7,0 x 16, 7,5 x 17 and 8,0 x 18.
