NEW: „Limit black“ – especially for vehicles with 4-hole mountings

AUTEC's new wheel type „Lb“ (Limit black) is featured by harmonic lines and interesting colour contrasts.

The five sophisticated double spokes run elegantly into a beautiful and very expressive central area. The surface in black polished gives the wheel a modern and innovative design.

Type Lb was designed especially for vehicles with 4-hole mountings such as the BMW Mini, Fiat 500, Opel Corsa, Peugeot 207, Honda Jazz, Suzuki Splash or Opel Agila II.

The wheel is also applicable for numerous vehicles with 5-hole mountings.

Limit black is available with ABE in the wheel sizes 6,5 x 15 und 6,5 x 16.
